## **CLASSROOM RULES**

We are very fortunate to have the use of classrooms throughout the school during our competitions. They provide each of you with a private place to dress, stretch and meet with your team. In order to maintain this privilege, we respectfully ask that you abide by the following rules:

1. Do not open any desks, cabinets, etc. or use any of the computers or phones. If you need to use a phone, please see a contest official.
2. Do not write on the blackboards or dry erase boards.
3. **DO NOT TOUCH ANY CLASSROOM EQUIPMENT.**
4. If you need to move any desks, please make sure they are returned to their original order before you leave.
5. All trash should be placed in the trashcans before leaving the room. If you have a spill (water, make-up, etc.), you can obtain paper towels from the restrooms to clean up.
6. Do not touch the room thermostats
7. Remember that although the hallways are monitored, the rooms are unlocked. Please secure your valuables accordingly.
8. If you notice any damage when you arrive at your room or believe someone other than your team has caused damage, please report it to a contest official immediately.
9. Anyone violating these rules may be held liable for any damage done, receive a sportsmanship penalty and/or may not be allowed to return to the competition site.

Thank you for your cooperation, and best of luck to your team!
