## TROPICAL TOURNAMENT

### COVID GUIDELINES AND PRECAUTIONS

#### **Team Expectations:**

- 1) Teams will follow all applicable state, local, and district level Covid 19 precautions and safety procedures (ie quarantine and isolation requirements).
- 2) Athletes and coaches will agree to temperature checks at the entrance of the competition. Thermometers are wall mounted and contact free. Athletes/coaches with a temperature over 100.3 (100.4 and above) will not be allowed entrance into the competition.
- 3) Teams will complete CDC's "Symptom Screening" prior to entering the competition. Coaches will be responsible for verifying each teammate completed the screening on the morning of the competition.
- 4) Teams will utilize only the entrance, exit, warmup area, hallways, and bathroom that is assigned to them.
- 5) All members of the team including coaches will agree to wear face masks 100% of the time while in the building. This includes before, during, and after any performance. If any athlete or coach forgets a face covering one will be provided for them to wear. If any athlete or coach refuses to wear a face mask they will be asked to leave the premises.
- 6) Prior to and immediately following performances athletes will be asked to hand sanitize.
- 7) No food or drink will be allowed into the building aside from water/electrolyte replacement drinks.
- 8) No contact will be allowed during performances.

#### **Host Procedures:**

- 1) Host will provide each team their own entrance, changing area, bathroom, warmup area, and gym entrance/exit.
- 2) Host will allow for 12 minutes between each performance to allow adequate sanitation time and ensure no two teams are in the gym at the same time.
- 3) Host will ONLY provide food/drink to contestants as they exit the competition.
- 4) Each wing, bathroom, and warmup area will be sanitized between team usage.
- 5) All competition staff and volunteers will abide by safety procedures including symptom screening, temperature screening, social distancing from athletes/coaches and use of face coverings.
