## TROPICAL TOURNAMENT

We have gone to great lengths to ensure you and your athlete's safety during this event! The event is designed so that you will:

- 1) Get robust feedback from judges! There is 12 minutes to allow for more comments and feedback from the judging panel and they will be required to do so.
- 2) Create a FUN environment for the kids to perform! Each participant will get a tshirt, facemask, lei, and a Maui Wowi smoothie- it's a TROPICAL escape from 2020!
- 3) Spectators will be allowed two ways to view the entire competition from the safety of their own homes.
- 4) Athletes are NEVER interfacing, crossing paths, or in the same location at the same time. The only individuals' athletes will have prolonged contact with would be their own coaches and teammates!
- 5) Only THREE teams will ever be in the building at the same time ensuring a even safer environment for you and your athletes.
- 6) The schedule has built in time for robust cleaning to be conducted before a new team enters the gym or your wing. This means the competition floor will be sanitized between teams AND you can enter your wing the day of the competition knowing that your hallway, bathroom, and warmup area were thoroughly disinfected prior to your arrival.
