****REGISTRATION FOR ALL TRYOUT CLINICS AND TRYOUTS CAN BE FOUND ON OUR WEBSITE****

Junior Prep

- New this year! Junior Prep is open to anyone that was previously on minis or someone new coming in with a skill set that matches the requirements.
- What if I am not sure if my son/daughter is ready for Junior Prep?
 - There are two clinics you can optionally attend to get feedback on their preparedness. We strongly recommend registering for clinics in advance although registration is not required ahead of time and drop ins are welcome.
 - May 7th from 4-5 and May 14th from 4-5 (review skills)
 - Teachers will be on hand to fill out the progress report form for Jr Prep to help you gauge their readiness
 - It is also helpful if you reach out to their coach or Linnea Nagel and review the level packet that details skills needed/age recommendations/etc
- Junior Prep Tryouts will be (Registration Required for Actual Tryout Week)
 - May 18th (learn dance and review skills)
 - May 19th (learn dance and review skills)
 - May 20th (learn dance and review skills)
 - May 21st- ACTUAL TRYOUT
- What happens if we tried out for Junior Prep but didn't make it?
 - You will be invited to participate in one of the other levels, likely minis or prevue.
- What if I think my child could be between Junior Prep and Junior level readiness?
 - By trying out in May your child will be considered for BOTH of those teams. This is especially true of anyone that would be on the border to transitioning to middle school.

Juniors

- What if I am not sure if my son/daughter is ready for Juniors?
 - There are two clinics you can optionally attend to get feedback on their preparedness. We strongly recommend registering for clinics in advance although registration is not required ahead of time and drop ins are welcome.

Pixie and Itty Bitty

- There are no tryouts required for this age group. We simply ask that you register for the Pixie/Itty Bitty Competition Team class found on our website.
- If you are unsure if your child is ready for Prevue then we suggest you allow them to go through the process of attending the tryout clinics. We can help via progress reports to gauge their readiness.
- The first practices for both teams will be conducted together to allow teachers to properly allocate kids to teams that support their skill level and attention span.
- If you have any questions review the level guide that lists what the skills are for each level or reach out to Linnea Nagel will questions.
